FALL 2022

President's Welcome

Greetings ladies, hope you all had a wonderful and restful summer with the ones you love. Vacations are hopefully a time of rest and renewal, so that when we get back to work, we will have the necessary energy and drive. I hope you had such a summer, and that you're ready to help Christ Child Society achieve our mission of helping children in need in our community.

The needs of children in our community are still great. Our past year was very successful. We allocated over 500 Layettes, collected hundreds of books, and allocated over \$100,000 to children in need in our parish schools. We were also able to allocate funds to our various scholarship programs.

Our fall season was kicked off at our annual Fall Mass, which I hope you were able to attend, and soon the holiday season will be upon us. You'll receive the annual Christmas Stocking mailer, and then the invitation to the Christmas Open House. I am always amazed and moved by the incredible generosity of our members to the stocking's program and the Layette fundraiser at the Open House. I know this year will be no different.

As we begin a new year for CCS, I urge you to find a little time in your calendar to lend a hand. ***We could use some Helping Angels!*** There is no need to volunteer for a board position (though we would love to have you!) but maybe you have a day to read in a school, an evening to help assemble layettes, or a couple of hours to help us put labels on invitations and deliver them to the post office. ***There are many, many small jobs that take very little time but make a huge difference.***

Everyone is super busy, but the more people we have to take up small, short commitment tasks, the more effective we will be and the more the board can get accomplished. ***Even a short commitment will make a huge difference!***

If you are interested and willing, please contact me or our talent bank coordinator, Sarah Nowak.

Thank you for your generosity and continued support of the Christ Child mission!

Blessings,
Elsa

You Make a Difference: Our Chapter Programs

Christ Child Society of Pasadena has specific programs catering to the needs of our own community. As we begin our new 2022-2023 year, we are always looking for additional supporters, volunteers, and Helping Angels. If you are interested in participating, the following is a short description of our chapter programs and contact information. As always, we are very grateful to you for all your support and dedication to help us achieve our mission of helping children in need.

TREASURES

The **Treasures Program** is a Manners or Etiquette Class. The program is a seven-week course – two hours per class. Each class addresses a subject such as making introductions, dining manners and thank you notes. Our members work with fifth and sixth graders at local parochial schools. Our aim is to create a positive environment where, hopefully, the students will receive a boost to their self-esteem and self-confidence. **Maureen Dinius: mdinius@earthlink.net**

LAYETTES

The Layette volunteers assemble and provide new mothers with some basic needs for Infants. Volunteers meet at St. Andrew Pastoral Center to assemble the layettes. We are thankful to have devoted knitters in our CCS who make blankets, booties, and caps that are included in each layette. The layettes are distributed to many area parishes, hospitals, pregnancy help centers, children's services, and Catholic charity organizations. **Olga Castellanos: olga_cast@mac.com, Debi Lee: dalee225@yahoo.com, Sharon McTigue: sharonmctigue@me.com**

If you would like to be a **Helping Angel** for a small job or short-term commitment, contact **Sarah Nowak: esnowak@att.net**

PALS (Pairs and Learn Session)

As **PALS volunteers**, our members read aloud to the children in grades K-3 at St Andrew and Nativity Catholic schools. Our goal is to help children develop a love of reading, stimulate the imagination, and spark a desire to learn. Our CCS volunteers also offer tutoring in grades 1-3. Subjects include reading and basic math. Program on hiatus until 2023

Parish Ambassadors and Service Projects

Service Projects are administered through volunteer members who are **Parish Ambassadors** and act as liaisons to designated parish schools in the San Gabriel Valley. Communicating with the schools' principals throughout the year, our ambassadors identify the needs of the most underprivileged children at the schools and invite the principals to submit requests for funds to support those needs. As a result, our **Service Projects program (Christmas Stocking Fund & Easter Shoes)** pays for items such as uniforms, registration, sacramental fees, and lunch for the neediest children at the schools. For more information see page 6 of this issue.

September, 2022

Dear Members of the Christ Child Society of Pasadena,

Greetings in Christ! I hope you are all healthy and well and staying strong.

I write this to you after returning from a wonderful pilgrimage to see the Passion Play in Oberammergau, Germany. I know many of you have been there and seen this beautiful musical drama. For those unfamiliar, this Passion Play has been performed in this small town in Bavaria for hundreds of years (every 10 years) in gratitude for being protected from the plague. Ironically, it had to be cancelled in 2020 due to the Covid pandemic, and it was performed this year. If you've never seen it, I strongly recommend it. The next one will be in 2030. We left Germany just after the beginning of Oktoberfest so we had the joy of participating in that as well.

Once I returned it was obvious that summer is now over! Even though it is still quite warm, I see all our families back from vacation, the school in full session, and the parish busy with numerous activities for this Fall. The next one here will be our wonderful Bach to Broadway Concert on October 14th. It is always a wonderful event.

The whole purpose of vacation, of course, is to rest, get a break from our usual duties and responsibilities and come back renewed to do the Lord's work. It is my hope that you all had a wonderful and restful summer and now are ready to continue the wonderful work of the Christ Child Society.

Very soon we will have our annual Fall Mass on October 2nd and I look forward to seeing all of you there. It happens to be the Feast of the Guardian Angels (although we have to liturgically celebrate the Sunday Mass) which is a wonderful reminder of these protective beings sent by God to watch over us.

October is also the month of the Holy Rosary so I strongly encourage you to make this beautiful Marian devotion a part of your daily life. I've prayed the rosary daily throughout my life and it has made a tremendous difference. Mary always brings us to Jesus!

May you have a wonderful Autumn and I look forward to seeing you all soon for our Mass on October 2nd.

May the love of the Holy Child Jesus always compel us to serve!

Sincerely yours in Christ,

Rev. Marcos J. Gonzalez
Pastor

Our Chapter Grant Funds: LIVING OUR MISSION

A New Season, a New Reason to Live our Christ Child Mission

Families celebrate and, at the same time struggle, as every member transitions back to a life that feels back to normal yet still unsettled. Our mission to support and care for the welfare of children and youth is greater than ever.

We have two opportunities to donate to and build up our Grant funds, through Christmas Stockings and Easter Shoes. We provide Grants for 18 parish schools whose needs range from registration fees to school uniforms. We reach the homes and hearts of many families who would otherwise not be able to attend school and have the gift of a strong, Catholic school experience. The Grants allow these 18 schools to maintain their connection with Church, school, and faith community.

This would not be possible without the time, commitment, and love of our Christ Child parish ambassadors. They connect with the leaders of their assigned parish school throughout the year and guide them through the grant application process. The parish schools, especially the students, are grateful for all the dedicated and loving support of the parish ambassadors.

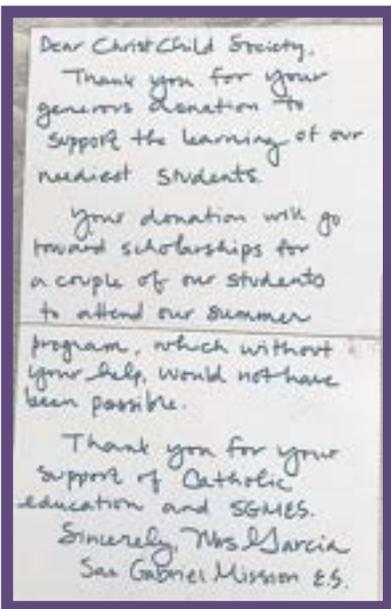

Thank you all for your continued support of our Society and of the children.

Leah McCrary and Julianne Coppersmith

The role of a Parish Ambassador gives as much to the school as it does to our members who choose to take on this responsibility. There is always a need for new members who want to live our mission. This special opportunity allows our ambassadors to see how our generosity transforms the lives of the children. If you would like to be a part of this special opportunity to provide for the children of our community, please contact:

National Christ Child Society Convention

The National Christ Child Society 2022 Convention Together in Tucson – A Great Success!

Pasadena chapter president, Elsa Behney, and members Roseann Anderson, Terry Clougherty, Mary Lea Carroll, and Becky Sarni attended the National Christ Child Society 2022 Convention, as well as non-resident members Carol Pickle and Anne Kelley.

The setting was the beautiful Loews Ventana Canyon Resort which is built right into a mountain whose vista was fluid throughout the day depending on the sunlight. There was an optional tour of Tucson on Thursday morning. Highlights included a stop at the St. Augustine Cathedral and Saint Elizabeth Ann Seton School for the ribbon cutting of the Christ Child Society of Tucson-donated book vending machine. The students loved it! Then the tour was off to “The White Dove of the Desert” – also known as Mission San Xavier del Bac - the northernmost mission founded in 1692 by Jesuit priest Padre Eusebio Kino. The tour concluded with stops for James Beard award winning Sonora Dogs (hot dog wrapped in bacon and topped with beans, fresh, grilled onions, tomatoes, mayo, mustard, and jalapeno sauce), and dessert (shaved ice with a scoop of ice cream, fresh fruit of your choice, and

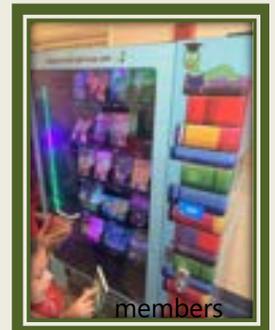

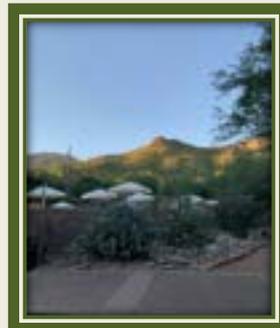

sweetened condensed milk topping). Decadent!

The business side of the convention kicked off Thursday afternoon with keynote speaker Paula Van Ness, who set the theme and tone for the weekend and a casual reception.

Friday was education day and included the annual business meeting and sessions on chapter programs, grants and donations, board development, and the use of Tradewing software. After absorbing so much information, attendees got to indulge in some delicious barbecue and entertainment by the internationally acclaimed Tucson Arizona Boys Chorus, including a few young members showing off their roping skills.

Saturday was wrap-up day where interactive sessions put newly learned skills to the test. There was a lot of sharing and laughter! The weekend wound down with a beautiful mass celebrated by Bishop Weisenburger followed by dinner.

As always, attendees walked away with valuable information, new contacts, and inspiration. All of all chapters are encouraged to attend the convention and conference.

**Next year’s Conference will be held September 29 - 30 at the Bolger Center in Bethesda, Maryland.
Mark your calendars.**

Fall Mass

Beginning a New Year for Christ Child of Pasadena with a Beautiful Fall Mass Celebration!

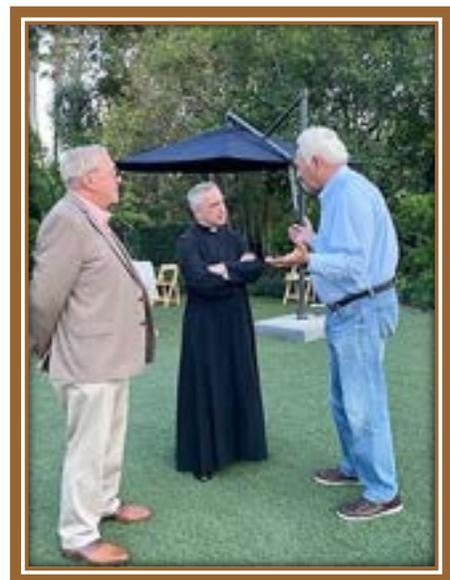

Thank you to our gracious hosts, Anthony and Terry Clougherty for opening their beautiful home and backyard garden. It was an amazing quiet backdrop for a wonderful Holy Mass celebrated by our spiritual advisor, Fr. Marcos Gonzalez. Many of our members and their spouses attended and enjoyed the cocktails and hors d'oeuvres following the spiritual nourishment! Thank you to all the helping hands-greeters, readers, and servers and to all who came to his Fall Mass event to start our new year of Christ Child Society of Pasadena.

God bless!
