WHERE LOVE LEADS TO ACTION

The Correspondent

WINTER 2023

President's Welcome

Happy New Year Ladies!

Hope you all had a wonderful Christmas and holiday season with the ones you love!

The new year brings all sorts of new opportunities and at Christ Child Society it's no different.

This month, there is the opportunity to nominate new members to our organization. Please consider proposing friends and family members who share our commitment to helping children in need. New member proposal form was emailed to everyone. It is also on our website,

and in this newsletter issue, or contact Tess Crabtree, the VP of membership, to obtain one. Please submit your forms by February 15th.

Also, the annual Easter Shoes appeal letter was mailed. We raised an impressive amount for our Christmas Stockings appeal and I'm certain the Easter Shoes appeal will be just as successful. The generosity of our membership is always amazing!

Our auction and fundraiser patrons mailing, and auction obligation requests will also be sent out in February. The auction will be held May 11th in conjunction with our Annual Meeting and Luncheon, but the auction obligations will be due March 15. Some of you pre-paid the obligation last fall, those of you who did not, will need to do so at this time.

Our annual Ash Wednesday service will be held at St Bede the Venerable church in La Canada on February 22nd. Hope to see you all there.

Finally, if you are interested in helping out and getting more involved, please consider a board position. It's almost time again to propose new board members for the 2023-24 year. There are big and small positions, and the vast majority require very little time commitment, with almost everything possible via email. Everyone is busy, many of us work, many have family to take care of, but all of us can find a small amount of time to dedicate to ensuring Christ Child Society helps the many needy children of our community.

Please let me know if you are interested in a position and I would be happy to discuss all the options with you.

I thank you in again for your amazing generosity to Christ Child Society and to your continued commitment to our mission.

Many blessing to you and your loved ones.
Elsa Behney

Our Chapter Programs

Christ Child Society of Pasadena has specific programs catering to the needs of our own community. As we begin our new 2022-2023 year, we are always looking for additional supporters, volunteers, and Helping Angels. If you are interested in participating, the following is a short description of our chapter programs and contact information. As always, we are very grateful to you for all your support and dedication to help us achieve our mission of helping children in need.

TREASURES

The **Treasures Program** is a Manners or Etiquette Class. The program is a seven-week course – two hours per class. Each class addresses a subject such as making introductions, dining manners and thank you notes. Our members work with fifth and sixth graders at local parochial schools. Our aim is to create a positive environment where, hopefully, the students will receive a boost to their self-esteem and self-confidence. **Maureen Dinius: mdinius@earthlink.net**

LAYETTES

The Layette volunteers assemble and provide new mothers with some basic needs for Infants. Volunteers meet at St. Andrew Pastoral Center to assemble the layettes. We are thankful to have devoted knitters in our CCS who make blankets, booties, and caps that are included in each layette. The layettes are distributed to many area parishes, hospitals, pregnancy help centers, children's services, and Catholic charity organizations. **Olga Castellanos: olga_cast@mac.com, Debi Lee: dalee225@yahoo.com, Sharon McTigue: sharonmctigue@me.com**

If you would like to be a **Helping Angel** for a small job or short-term commitment, contact **Sarah Nowak: esnowak@att.net**

PALS (Pairs and Learn Session)

As **PALS volunteers**, our members read aloud to the children in grades K-3 at St Andrew and Nativity Catholic schools. Our goal is to help children develop a love of reading, stimulate the imagination, and spark a desire to learn. Our CCS volunteers also offer tutoring in grades 1-3. Subjects include reading and basic math. Program on hiatus until 2023

Parish Ambassadors and Service Projects

Service Projects are administered through volunteer members who are **Parish Ambassadors** and act as liaisons to designated parish schools in the San Gabriel Valley. Communicating with the schools' principals throughout the year, our ambassadors identify the needs of the most underprivileged children at the schools and invite the principals to submit requests for funds to support those needs. As a result, our **Service Projects program (Christmas Stocking Fund & Easter Shoes)** pays for items such as uniforms, registration, sacramental fees, and lunch for the neediest children at the schools. For more information see page 6 of this issue.

From Our Spiritual Advisor

February 2023

Dear Members of the Christ Child Society of Pasadena,

Greetings in Christ! I hope you all had a joyful Christmas and New Year and are healthy and staying strong.

I write this to you after just having returned from a week visiting family in Cuba. It is always a challenge to travel there because some of the things we typically take for granted (electricity, water, toilet paper!) are not always available.

Sometimes they are and sometimes they aren't. This year there was water, but electricity went out daily. It helps me a great deal to make this annual trip, however. It is wonderful to see my extended family and to bring them needed supplies as well as visit the parish there and bring things like candles and incense, but it also serves as a good reminder to me. So often we simply take so much that we have for granted. We live in this wonderful country of the United States, and it is easy to forget that we have been greatly blessed. Much of the world does not have what we have.

This is what the Christ Child Society is all about: helping the needy especially the littlest ones among us. Your work of charity makes a huge difference in the lives of so many families.

We are about to begin Lent once again. Ash Wednesday this year falls on February 22nd. I urge you to start thinking now about your upcoming Lenten resolutions. Most of us were brought up with the idea of "giving up" something for Lent. This is a very worthwhile practice as it is a means of penance and mortification as well as self-sacrifice. I strongly recommend it. But also, think about "doing" something special for Lent as well. This can be using the money we might save on chocolate, ice cream, liquor or whatever we give up, and give it to charity. In this case, I recommend the Christ Child Society as that charity so you can make a difference in the lives of others.

In addition, I strongly urge you to make some resolutions regarding your spiritual life. Lent is a time of renewal. So, resolve to pray more daily, to attend daily Mass, to go to Confession regularly, to pray the Stations of the Cross at your parish, to do more spiritual reading, to participate in the beautiful ceremonies and Masses of Holy Week, etc. In this way when Easter arrives, we, hopefully, are better persons to rejoice in the Lord's resurrection.

I wish you a Holy Lent and a joyful Easter!

May the love of the Holy Child Jesus always compel us to serve!

Sincerely yours in Christ,

Rev. Marcos J. Gonzalez, Pastor

Layettes

Thank you for your continued support via donations and diapers. Please consider knitting or crocheting for the Layette Program.

The Jewel City Knitters have been so generous—last year **they donated over 400 items!** **This year our goal is 500**, so we need your help! Donations of yarn or fabric for quilts are gladly accepted.

Our toiletry kits are short on shampoo, lotion, body wash, and dental items.

NEXT SCHEDULED MEETINGS:

**Tuesday, May 9th,
5 to 7 pm**

**LAST ONE
Wednesday, May 10th,
9 to noon.**

Layettes continued

Olga served a delicious cornbread which everyone loved at the last Layette meeting. She is kindly sharing the recipe.

Yummy Cornbread (aka Trader Joe's cornbread!)

For each box of mix you will need:

1 egg

½ cup oil

¾ cup milk

½ can of TJ's sweet corn (I make two boxes of mix and use 1 can.)

Follow the directions on the box, adding the sweet corn to the egg, oil, and milk before adding the mix. Serve with honey if desired.

It Takes a Village and Husbands, Daughters, Sons, and Friends!

By Olga McGee

The Layette program counts on the help of many members AND their partners, children, and friends! Recently, Sharon McTigue and daughter Taylor transported 24 layettes to one of our agencies; Sharon's husband Chris and son Sean, helped the day that a big truckload of supplies showed up; Debi Lee and daughter Olivia added items and moved around 100 bags in the storage room; and just a few days ago, Sue Fulps and husband Lou, transported 60 bags to another agency. That's quite a few flights of up and down the stairs to fill their car to the BRIM!

On the receiving end, Sue and Lou were helped by about 5 additional women who were VERY appreciative of the donation. And they offered to speak at one of our Christ Child functions and let us know where the layettes go—what a lovely idea. Another plus from Lou: "I don't need to go to the gym today after that workout! I'll be taking a nap!"

So, if you want to skip your workout, help us deliver layettes like Katie Bolton is doing! Thank you to ALL who have come to help assemble layettes and toiletry kits, who have donated handmade items and toiletries, and who have helped deliver these much needed and appreciated layette bags!

The Givers of All Gifts

18 schools, 22 Parish Ambassadors, over 300 Christ Child Society Members, and most importantly, countless students with endless smiles and happy hearts.

This past Christmas Season, the incredible generosity of our Society allowed our Parish Ambassadors to bring **over \$45,000** to the students of our Parishes.

This amount represents 60% of the total donated, leaving the allocation committee 40% to allocate for the Spring requests. Thank you to each of you, for making it possible for our Society to do what Mary Virginia Merrick so lovingly called us to be, the true givers of all gifts,

A FEW OF THE MANY WE SUPPORT:

- A family of 11 children in a single home dwelling
- A single working mom raising 3 children
- A parish which doubled its enrollment in 6 months

Gifts ranged from books, shoes, and school supplies to fees for registration, sacraments, field trips and graduation.

The gift of a Catholic education is what we strive to provide. We continue to gift these parishes, to fulfill the needs of every child, to live the mission, that Mary Virginia Merrick so passionately created and still inspires and guides us to accomplish.

This mission is carried out with great success and love due to the time, effort, and hearts for our Parish Ambassadors. **THANK YOU to all our Parish Ambassadors** for the gifts they give to make this mission possible. They are patient, flexible and diligent in communicating with the school principals to ensure we know how we can best help each school. The Parish Ambassadors allow us to effectively allocate your generosity to be the most impactful for each of our Parish schools.

Please consider joining this invaluable team and giving yourself an opportunity to connect with a Parish school on a level that allows you to gain insight about this special part of our CCS mission.

- EMBRACE THE POSSIBILITIES

The teachers and children are so thankful for our gifts that will help enhance their reading programs and libraries.

God bless all of you for your kindness and generosity that continues to help those around us!

"Christ Child books have been as rays of sunshine to little hearts that were clouded with sorrow. I believe it would have been hard to find a happier crowd of [children] in this city than these were the day the new books you sent [received]."
